**The President's letter:**

Spring is trying to arrive or might have already past. We never are really sure in Texas but what we really sure of is that it will soon be summer. We do get to enjoy that season a lot for a long time. So we should all enjoy and make the most of what we have to enjoy in our own area. Remember that it always can be worse!

The big annual stitching events are past their due dates for proposals and all of the work we put together is in the hands of others for study and evaluation. Congratulations to those that were successful and just stick in there to those that were not so lucky. There always is a next year and stitching will continue. The better job that we do as teachers and designers the better future we will develop for the future of stitching. There is room for all varieties of traditional techniques and for those that choose to push the envelope a little or a lot! All we need to do as teachers is find the vehicle to convey these learning opportunities past selection groups to students to enjoy.

There are other creative options for us to search out and discover. If you have ideas please consider sharing them with other teachers and possibly through this publication. This group exists to help teachers with their questions, needs and problems. So if you have any of these issues please take the time to let us know about them so that we can open a discussion to attempt to help you and the group as a whole.

We have been advised by ANG that they have added a part to their new contract, which asks if you are unable to teach the contracted class, who would you choose to possibly teach the class in your place. We brought this issue up at our meeting in Nashville and ANG took the issue to the powers that be and have revised the contract. We do hope that this helps move this issue toward a better resolution of a very difficult issue. We will see and thanks to ANG for their receptive response.

We also have had an election of two officers for the next term. Gail Sirna has been elected for Secretary and Pat Donaldson was elected for Treasurer. I want to thank both of these ladies for their past help and support and look forward to working with them in the future.

Remember that we have meetings at the ANG and EGA national seminars each year. Please consider attending and participating. Thanks for being part of a group to help and support the needs and issue of stitching teaches! You are great! Thanks!

--John
